6:00 PM Dinner and networking

6:30 PM Dr. McPhee was absent so Dr. Tung Nguyen opened the meeting with everyone giving a self-round introduction. Dr. Tung Nguyen briefly went over recent SF AANCART's activities. This year activities are different than the 1st five years with emphasizes on risk factor which both Chinese AANCART and SF AANCART. The goal is to promote Colorectal Cancer among Vietnamese and Chinese Americans. For the Vietnamese, we are collaborating with two other people in Santa Clara County with Dr. Judy Walsh and the Northern California Cancer Center with Dr. Bang Nguyen. As for the Chinese part, it is the most exciting because we'll be collaborating with the Chinese Health Care Resource Center and the Chinatown Public Health Center. Dr. Elisa Tong also reported on the Chinese AANCART. 5 Continuing Medical Education (CME) seminars will be organized by the Chinese AANCART to teach

doctors in Chinatown. Doctors will receive unit credit for attending CME.

7:00 PM Feature presentation "***Tobacco Control in China's Smoking Kingdom: Anthropology and the Production of a Smoking-Cessation Manual in Kunming***" presented by Matthew Kohrman, PhD. After the presentation, there were questions and answers.

8:00 PM Meeting adjourned.
